RVSM Capable	AlliedSignal APU	ProParts & Power Advantage
Thrust Reversers	76 cu. Ft. Oxygen	Artex 406-2 Three Frequency ELT
RH Landing Gear Control	Monorail Sunvisor	XM Weather
Cabin Temp. Indicator	Pulselight System	Cockpit Speaker Mute Switch
Cescom	Fairchild CVR	Electronic Engine Chip Detector
B&D Model 15000 Cabin Information System		110 V AC Power Outlets (4)

INTERIOR: Interior is completed in an overall beige scheme with seating for nine passengers in a center club configuration with six passenger seats, a forward side-facing two place couch and belted lav seat. The fireblocked passenger seats are in crème-colored leather. The window reveals are a light cream colored Izip leather material and the lower sidewalls are textured cream fabric. The carpet is beige colored cut pile. The cabinetry is Carpathian Elm Burl (medium brown) wood veneer and the plating is bright polished bronze.

There is a forward left-hand refreshment center, right-hand closet, executive & slimline tables, seat back pockets on aft seats, and storage drawers under four seats. The lavatory has a non-belted flushing toilet (externally serviceable) an aft centerline closet, and there is a removable left-hand side-facing seat in the lavatory for a ninth passenger.

EXTERIOR: Overall Snow White with Green, Black, and Gold accent stripes
